November 2011 Newsletter

Our next meeting will be held **Wednesday, November 2nd** and will begin about 6:30 pm. Everyone enjoyed viewing the relics brought in by our members at the last meeting and the general consensus seems to be – bring your new or old treasures anytime. We all enjoy looking.

The Old Dominion Relic Dig is entering its third year. It is scheduled to be held **November 5, 2011**. Good luck to all of you diggers. Registration **Deadline was October 15th**

The Club Dig and Family Get-Together is scheduled for the following weekend. **You need to sign up**, and, if you can help with either please let someone know.

Keep on diggin'
